Re: Letter of Retirement
Date: December 5, 2016

The time has come that I officially notify you of my intent to retire at the end of the 2016-17 school year. My last day of work will be the last day of my current contract, June 30, 2017.

I have been a proud member of Culver Community Schools for 28 years, serving as a teacher, coach, assistant principal, principal, Director of Operations, and most recently as your Interim Superintendent. I want to express my gratitude for all the years I have been able to be a part of this school system. I especially want to thank you for the trust and confidence you have placed in me during the last year and a half, as I worked as your Interim Superintendent.

After a total of 38 years in the education field, it is time that I close the book on this part of my life and move on to whatever the future holds. I wish you and this fine school corporation the best in the coming years. Again, I want to thank you for your support throughout my years with Culver Community Schools.

Thank you very much for your support.
