ADULTS: BREAKFAST \$1.50 LUNCH \$3.00

The Summer Food Service Program for Children (SFSP) was created to serve nutritious meals to children when the National School Lunch and School Breakfast Program meals are not available. To ensure all children receive proper nutrition throughout the year, SFSP reimburses organizations that prepare and serve meals to eligible children during the summer.

It is the policy of the Indiana Department of Education not to discriminate on the basis of race, color, religion, sex, national origin, age or disability.

Children 18 years of age and younger and people with disabilities (regardless of age) who participate in special education programs are eligible for a **FREE MEAL**.

All meals MUST be eaten on site.
